

# Make money drinking on your back porch!

I'm talking about *appreciation*. That's the thing your home does when you're doing nothing. It's increasing in value, helping to guarantee you'll get out of it what you put in. Sure, the Twin Cities are now appreciating at more "normal" rates, but that's still higher than the return you're getting from your ceramic piggy bank.

For more info on how to make money while drinking, napping, or just doing nothing, call...
